

Beacon Pointe

MAIN FLOOR PLAN

- 1,830 SF + 411 SF garage
- Modern architectural design aesthetic
- High-efficiency heater & air conditioning
- 3 and 4 bedroom layouts
- Hardwood floors on main level
- Large deck for entertaining
- Light filled spaces

Affordable. Urban. Home.

There is nothing like it on the market. Beacon Pointe is a collection of eight brand new, architecturally modern homes in Seattle's diverse and vibrant Beacon Hill neighborhood. Drive to downtown in 10 minutes with easy I-5 access, or catch the bus around the corner and get to Pike Place Market in 20 minutes.

This is a place you want to be. This is a place to call home.

I am excited to share with you all that Beacon Pointe has to offer. This is a vibrant new project that has a lot of cool features.

Contact me for more info. I am here to help!!
